Low plausibility and creativity

GT Anomaly Description

The logo for the restaurant is off-center and sticks out of the side of the building

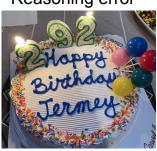

Human Justification

There used to be a second sign on the right, but it fell before the photo was taken

GPT4o Justification

The logo may have been improperly installed due to lack of precise measurement or miscommunication during the installation process

Reasoning error

GT Anomaly Description

The candles depict the age of "Jermey" as 292 years old

Human Justification

The candles have been placed as a joke and exaggerating Jermey's age

GPT4o Justification

The candles might have been arranged incorrectly, resulting in the age being displayed as 292 instead of the intended order, such as 29 or 92.

Perception error

GT Anomaly Description

There is trash on the floor next to the trash can

Human Justification

A person threw the trash towards the bin and missed it

GPT4o Justification

The trash can is full or was not opened properly, causing overflow and resulting in trash being left outside
